Cathy,

There was little(nothing?) in the PP specific to treatment of the WW – other than DOE will do it if required.

The attached covers **ALL** references in the EMDF PP to wastewater management.

Delete/edit whatever you don't think necessary.

Carl

PS – I am going to lunch at 11:00 am (physically out to get a haircut) and should be back at 11:30am. I have an EMWMF-EMDF PT call at 2:00 pm that runs out to 4:00pm. I can hop off call if needed. Just let me know. Thanks.
